TODAY'S OFFERING

During today's service, an offering will be gathered for the mission of the church, including the care of those in need. At Temple Lutheran Church, we acknowledge financial stewardship to be an act of discipleship, done in response to the Good News of God's love. As you experience the joy of Christmas today and consider the ways God has blessed you, we invite you to share what God is calling you to share. We thank you for your generous gifts, and assure you that your giving will help change lives as we transform church, our neighborhood, and God's world in the name of Jesus.
