

TLC Food Pantry –

There has certainly been much unrest in the national media recently. An incredibly long government shutdown and many ramifications stemming from it. Of course the impact on SNAP being one of the most challenging.

This coming Saturday (11/8/25) we will have a supplemental service day to help bridge the SNAP gap until funding is restored or until a long-term, permanent solution is found.

This will **NOT** be our regular service style. Our team has prepared packaged bags which will be distributed in a "drive thru format." Beginning at 1:00 pm, we will have volunteers outside the church handing out (2) bags per household. (We cannot allow any picking up for a neighbor or friend). All bags contain the *same items*:

- Spaghetti
- Mac & Cheese
- Mixed Fruit
- Vegetable Soup
- Peanut Butter
- Instant Oatmeal
- (3) cans of veggies
- Chick Peas
- Tomato Sauce
- Tuna
- Meat Ravioli
- Granola Bars
- Toilet Paper - (2) rolls
- Paper Towel - (1) roll
- Hand Soap

We have been in contact with the Haverford Police Department to help direct traffic. Please note - there **will be no advance waiting in line and there cannot be any illegal traffic moves (ie - U-turns on Brookline Blvd)**. Anyone waiting in line, blocking traffic, or impeding the residents on Brookline Blvd. or Earlington Rd. will be asked to move along until service starts. We are more than happy to help, but we will do so in a lawful and respectful manner.
